Prancer's Peanut Butter Poppers

Ingredients:

- 1-cup sifted powdered sugar
- 1-teaspoon real vanilla extract
- 1-cup creamy peanut butter
- 1/2-cup butter or margarine, softened
- 1-cup chocolate cookie crumbs
- 1/2- cup colored sprinkles

Instructions:

1. In a large mixing bowl, add the powdered sugar, vanilla, peanut butter, and butter (or margarine) and stir until well mixed.
2. Gently roll the mixture into 1-inch balls, placing them on a baking sheet covered with waxed paper.
3. Roll the balls in the chocolate cookie crumbs and sprinkles until the surface of the balls are evenly coated.
4. Store in a tightly covered container in the refrigerator. Happy eating!

Blitzen's Smart Kitchen Rules

- Always ask a parent for permission to make these recipes before starting.
- Always wash your hands well before and after touching or eating food to keep from getting sick.
- Always put unused portions of foods that can spoil (such as milk, butter and meats) back in the refrigerator right after using them. Never let them sit out on the counter for very long.
