These delicious easy-to-make sandwiches are the perfect treat when you want something sweet for dessert.

Ingredients:

- 1/2 cup cream cheese
- 1/2 cup mini chocolate chips
- 4 cups powdered sugar
- 1 teaspoon vanilla
- pinch salt
- graham crackers

In medium bowl, mix cream cheese and 1 cup powdered sugar until light and fluffy. Now add the remaining powdered sugar a little at a time until mixed well. Next add in the vanilla and salt and mix until creamy. Finally mix in the mini chocolate chips.

Now spread a large glob of frosting on a graham cracker then add another cracker on top and squeeze gently. Keep making them until the filling is used up. Makes about 10 servings. Enjoy!
